The Auburn Police Local 195 would like to announce our endorsement of District Attorney Jon Budelmann in the upcoming election. District Attorney Budelmann has proven his commitment to our community by relentlessly addressing the critical issues that face the citizens of our County. Jon understands the importance of police work, and he values our commitment to working with him in the fight against crime. Jon's track record speaks for itself. He's an aggressive prosecutor with a passion for keeping dangerous criminals off of our streets. We support Jon in his bid for re-election, and we encourage all Cayuga County residents to do the same.
