On behalf of the members of the Sheriff Employee's Association of Cayuga County (SEACC), it is my pleasure to announce our endorsement of Jon E Budelmann in his reelection bid for Cayuga County District Attorney.

As the chief prosecuting attorney for all criminal cases here in Cayuga County, the position of the District Attorney is one that demands experience, tenacity, and conviction. Over the last 24 years of your service, you've proven you have all of those qualities, and the members of SEACC are confident in your ability to continue leading the Cayuga County District Attorney's Office. Congratulations on your endorsement, and good luck in your reelection!
