Dear Mr. Budelmann,

On behalf of the members of the New York State Police Investigators Association, Local 4, International Union of Police Associations, AFL-CIO, it is with great pride that I write to endorse your candidacy for Cayuga County District Attorney. The Investigators Association represents more than two thousand active and retired Bureau of Criminal Investigation members of the State Police. The NYSPIA members proudly serve the citizens throughout the State of New York, including Cayuga County, in all facets of criminal investigation and are assured that you will continue to serve as a leader in justice upon re-election as the Cayuga County District Attorney.

For 27 years you have committed yourself to your community as a county prosecutor, working your way up from Assistant District Attorney to Chief ADA and for the last 11 years as the District Attorney. You have undertaken innovative programs to make Cayuga County safer including addressing the Heroin Epidemic, creation of a Domestic Violence Task Force, sitting on the Stop DWI Committee as well as the Multi-Disciplinary Team of the Child Advocacy Center to enhance prosecution of sex offenses against young children.

The New York State Police Investigators Association appreciates your years of service and our membership has great confidence in your ability and foresight. The Board of Directors of NYSPIA is confident that your past experiences will serve you well in continuing in your role as District Attorney and we offer our full support and assistance in your candidacy and best wishes for your continued success.

Sincerely,

Christopher M. Quick  
President
